And much more!

**Every 5th grader and Regnbueklassen
are welcome!**

Trivselstorsdag is an after-school-offer for 5th graders and regbueklassen at Grefsen school. It is new for many 5th graders to not have an after-school offer, and we therefore wish to gather as many as possible after school on Thursdays. Regnbueklassen is also welcome! The activities will variate from which weather and season it is. The main goal is to create bonds and have fun together!

We meet in the common area at base 5. Which room we use can variate from time to time, but if there are any changes we will let you know.
